

## Trek Parts

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with successfully marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to giving top quality and new design concepts so as to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They like providing products which energize both their partners and their dealers and offer production gains to their customers.

The team at TREK enjoys dealing with new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' requirements and skills together with their comprehension of cleaning applications, along with owners' strong desire to dramatically lower cost through productivity gains.

When considered necessary, the workers within TREK and its many dealer members in both parts and in technical support would be accessible. One of their core values is their high service commitment in their customer service. Keeping their clients' cleaning machinery functioning and ready day by day is top priority. The company's top of the line technology delivers reliable equipment that ultimately reduces your cleaning expense. The service, the product and the price all work together to make them the leader in the business.
