

## Attachments for Nissan Forklifts

Attachments for Nissan Forklift - Nissan takes immense pride in attaining overall customer satisfaction, when their customer is experiencing one of their numerous products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to offering high value and detail-oriented quality standards to their customers. Incorporating a prosperous heritage combined with solid processing principals, Nissan lift trucks provide some of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European manufacturing warehouse in Sweden to sustain their worldwide lift truck demands. Dedicated to providing consumer support, the company has four independent manufacturing facilities that allow them to constantly adapt to their consumers continually evolving needs by providing an assortment of modern ideas and designs.

The Nissan Lift truck North and South American base is stationed in Marengo, Illinois. A devoted team of 350 personnel is committed to the collaboration, design and fabrication of their products. Working under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to preserve environmental accountability by utilizing systems that diminish the global influence of their goods and processes. These high values remind customers that Nissan operates under the quality seal that their customers command while being an environmentally conscious corporation.

Nissan is certain that they will be able to address any client inquiries or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned sellers or even traveling to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
