Advance-Nilfisk Parts - Think about how long and tedious it will be to tidy up after a party, with out assistance from equipment. Not too long ago, the dust from carpets and upholstery had to be beat out of them by hand; cleaning cloths, brooms, and brushes were the top cleaning products during that time.

P.A. Fisker, the man who founded Nilfisk-Advance, was actually an electrical engineer who loved working with electrical motors. Founding the business in 1906, he started to make motors to drive drills, fans, machine tools and coffee grinders. Mr. Fisker's vision from the beginning was to own a worldwide business marketing merchandise worldwide.

The Nilfisk C1 was a remarkable breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by a single person. This invention came in a time where many cleaning equipment were huge and required 4 or more operators, thus, the Nilfisk C1 transformed everything and evolved the manner we clean forever. The brain behind these first cleaning equipment remains unparalleled. Cleaning equipment offer an excellent solution to an existing crisis; things get filthy and have to be cleaned frequently, without a lot of effort.

Little by little, the company Nilfisk-Advance expanded throughout the years. In the early 1980's the business expanded fast when the company became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the trade, aiming to be an active global player in producing professional cleaning equipment. Nilfisk-Advance is presently located in all parts of the world by gradually acquiring many smaller businesses to be able to grow their product selection and presence in new markets. They are really proud to provide different cleaning solutions to meet every requirement.
